4. Principal’s Report

a. Graduation –

Principal Breslow described the expectation for the graduation ceremony. Simple 8<sup>th</sup> grade graduation will take place at 4:00, then Senior’s graduation at 6:00 PM. Also shared that students will be doing a presentation of learning for their families in an open house style event the day before. The week after graduation will be an outdoor recreation week with trips to the coats, Silver Falls, and McKenzie River.

b. 2022-23 staffing and enrollment update -

- TRCS will have a full time, licensed math teacher next year, with a solid outdoor skill set.
- Job Fairs at Western Oregon and U of O have been very successful
- Still looking for a LA/Social Studies teacher and Community School Coordinator.
- Several hires still to be done over the summer
- Enrollment for 2022-2023 school year is hovering at 45 students currently. Hoping to get to 55 students by the beginning of the school year.

c. Mental Health/Suicide Screening –

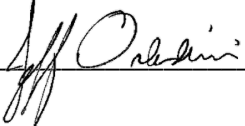

Lane County Health and OHA are doing systems wide suicide screenings for public school students. We scheduled them to do assessments for TRCS students. Students fill out a confidential, but not anonymous survey. OHA follows up with students who show risk factors. OHA is paying for counseling for students who need it.

Typical follow up rate for students before the pandemic was about 10%. Our students had an 85% follow up rate of the 20 students who took the survey. This process will allow us to get these students connected to free mental health supports from the Oregon Healing collective, including up to 10 counseling sessions and safety plans.
