As a guest to the meeting, she is came to learn more about the school and faculty to help her determine a way she can become involved.

There were no members of the public present for public comment.

Principal, Jay Breslow, presented the 2022 – 2023 faculty, giving each member an opportunity to share a bit about their background and their enthusiasm for the school year ahead. Faculty members present included:

- Kristin Humphrey
- Oliver Brown
- Casey Lonergan
- David Knox
- Paige Kidwell
- Alexandria Young
- Spencer Campbell

Following introductions, the faculty left the meeting.

Jay shared a Principal report which included an enrollment update and staffing structure. Current enrollment is at 52 students, which represents an all-time high for TRCS at the beginning of the year. Altering the daily and weekly schedules slightly and having a full time, licensed math teacher will allow us to have greater emphasis and differentiation in both math and language arts instruction.

Meeting Minutes from the June Meeting were approved unanimously.

Meeting was adjourned at 5:32 PM
